### Acquitted.

[Special Telegram to the Gazette.]

BATESVILLE, ARK., July 30.—The trial of Silas Gaza, for the killing of Carlos Conklin, in Lawrence county, last January, has been in progress here for four days. Col. Baber made the closing argument for the state this evening. It was beyond any question the ablest effort of his life, replete with eloquence and argument. The jury returned a verdict of "not guilty."
